Reading at George White Junior School

The more that you read, the more things you will know. The more that you learn, the more places you will go.

Dr. Seuss

Reading feeds pupils' imagination and opens up a treasurehouse of wonder and joy for curious young minds. (National Curriculum 2014)

At George White Junior School we want our children to be enthusiastic readers who by the end of their primary education, are able to read fluently, and with confidence, in any subject in their forthcoming secondary education.

We want our children to develop a love of reading and so provide them with access to as many enriching and diverse texts as possible. To do this, we provide the following -

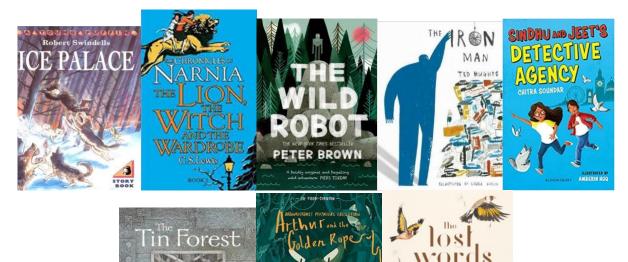

Year Group Reading Spines:

Our reading spine is designed using books – written by inspirational authors – which we value and want the children to have read by the time they leave primary education. The texts are purposefully selected to take the reader on a journey, from sharing picture books, to sharing a range of chapter books that gradually expose the reader to beautifully crafted storylines with evermore intriguing and challenging themes. We have mapped our reading spine considering the age and stage of our children.

Research shows that sharing quality narratives, which the children would not necessarily choose to read for themselves, develops not only a love of reading but improves vocabulary development and language skills, develops imagination and empathy, and enables children to learn about people, places and events outside of their own experience. In turn, this promotes achievement in all writing genres across the curriculum.

Our aim is to have at least one copy of each book in our class libraries for our children to enjoy both in school and at home.

Reading VIPERS:

VIPERS is an acronym to aid the recall of the 6 reading domains as part of the UK's reading curriculum. They are the key areas which we feel children need to know and understand in order to improve their comprehension of texts.

VIPERS stands for -

The 6 domains focus on the comprehension aspect of reading and not the mechanics: decoding, fluency, prosody etc. VIPERS is a method of ensuring that teachers ask, and students are familiar with, a range of questions. They allow teachers to track the type of questions asked and the children's responses to these which allows for targeted questioning afterwards.

Our VIPERS texts explore a wide range of authors. Children are able to enjoy the texts one-between-two as we are fortunate enough to have class sets of each book. Our texts are as follows -

Year 3 Texts On Rotation

	Text A	Text B
Cycle 1	Fantastic Mr. Fox by Roald Dahl	A Night at the Frost Fair by Emma Carroll
Cycle 2	Hidden Figures by Margot Lee Shetterley	Rumblestar by Abi Elphinstone

	Text A	Text B	Text C
Cycle 1	Millions by Frank Cottrell-Boyce	Melt by Ele Fountain	Brightstorm by Vashti Hardy
Cycle 2	Fly Me Home by Polly Ho-Yen	Danny Champion of The World by Roald Dahl	Queen of Darkness by Tony Bradman

Accelerated Reader:

Accelerated Reader is an IT-based program aimed at increasing reading for pleasure for children while also boosting their reading comprehension scores. After an initial assessment, the children are given a ZPD (zone of proximal development) and the child chooses a book with that zone. It is important to note that the children choose their own book with the intention of choosing books that they will be keen to read therefore increasing their reading for pleasure. When they have completed the book, they log in online and complete a quiz on the book. The children can progress through the ZPDs and demonstrate a progression in reading comprehension scores. The children are subsequently set target points to meet and when they do, they receive certificates and rewards.

Weekly Library Visits:

Every week, all classes visit the school library. During this time they are able to enjoy books, comics and magazines in a relaxed and bright environment. Teachers are available to read with the children, read a whole class story and recommend books for pleasure.
