

NEWSLETTER – Friday 14th July 2023

Be Kind, Be Honest, Be Confident, Be Respectful

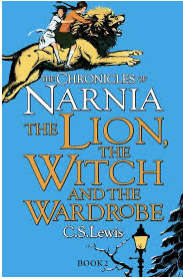

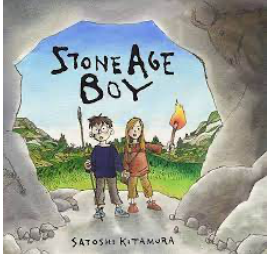

Dear parents and carers,

As we come to the end of our transition week, it has been wonderful seeing our new Year 3 Mousehold children in school and our existing George White Junior children moved up into their new year group. We hope our Year 6 children have all had a successful and enjoyable time at their new high school this week and we look forward to hearing all about their time and experiences when we are all back together again on Monday for our final week of this academic year. Due to the busyness of transition this week and staff getting to know the children in their new class and their new year group curriculum, there are no year group learning articles this week.

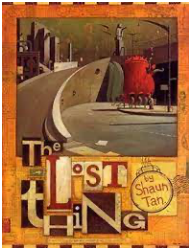

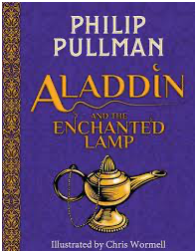

We look forward to seeing as many parents and carers as possible later on today at our Summer Fair.

Looking ahead to next year, I would like to share where the new class names have come from. As mentioned in the newsletter last week, our classes have been renamed after some of the author names of the books your child will read in their year group next year. These texts have been carefully mapped by Mrs Eaglen, our English lead and are part of our English curriculum.
