

## Safeguarding at GWJS

Our school Designated Safeguarding Leads are:

**Mrs Petchey, Mrs Stolworthy, Mrs Eaglen, Miss Alderton,  
Mrs Derer and Mrs Burman**

Please speak to one of these members of staff if you are worried or concerned about the safety of a child.

If you have a safeguarding concern about a child out of school hours, the number to ring is:

**CADS – Children’s Advice and Duty Service – 0344 800 8020**

Mrs Derer our school Parent Support Advisor and Mrs Burman and Miss Alderton our school Pastoral Leads and ELSA trained staff are on our school playground every morning from 8:45am. Mrs Derer our school Parent Support Advisor is on our playground every Monday, Thursday and Friday morning from 8:45am.

Mrs Burman, Miss Alderton and Mrs Derer are always happy to talk to you about any worries or concerns relating to your child at home or any further support we may be able to offer or signpost you to.

# 10 Top Tips for Parents and Educators

## PROMOTING PHYSICAL WELLBEING

Physical activity isn't only beneficial for our bodies; it also plays a role in promoting mental wellbeing. With both the Euros and the Olympics this summer, it's an opportunity to engage young people in regular exercise which can reduce stress, improve mood and boost self-esteem. Despite these benefits, many children face barriers to participating in physical activity.

### 1 MAKE IT FUN

Incorporate activities that children enjoy, such as playing games or dancing. Encourage participation in team sports or group activities to foster social connections and a sense of belonging.

### 2 MIX MOVEMENT WITH LEARNING

Educational settings can incorporate movement breaks and physical activities to enhance focus, concentration and cognitive function. Embedding exercise into the curriculum can also reinforce learning and stimulate creativity. 'Revision walks' with podcasts and flashcards can benefit older learners.

### 3 CREATE OPPORTUNITIES

Provide clear chances for physical activity throughout the day, both indoors and outdoors. Schools can encourage active play during breaks and at lunchtimes, while limiting screen time at home can help keep children up and about.

### 4 PROVIDE POSITIVE REINFORCEMENT

Praise and encourage children for their efforts and achievements in physical activity. Recognise their progress and celebrate their successes to reinforce positive behaviours. Educators could do this in several ways, such as applauding their efforts at assemblies or celebrating their accomplishments in newsletters.

### 5 VARIETY IS KEY

Introduce a selection of physical activities to keep children engaged and prevent boredom. From swimming and cycling to yoga and martial arts, trying different types of exercise can help children to discover what they enjoy most.

### 6 ENJOYMENT OVER COMPETITION

Encourage children to focus on the enjoyment of physical activity rather than winning or achieving perfection. Emphasise effort, improvement and having fun rather than outcomes, to minimise the amount of stress that children can sometimes associate with sports and other competitions.

### 7 SET REALISTIC GOALS

Help children set achievable physical activity targets based on their interests, abilities and preferences. Celebrate their progress and successes to maintain motivation and enthusiasm.

### 8 MAKE IT ACCESSIBLE

Ensure that children have access to safe, suitable spaces for exercise at home, at school and in the community. Advocate for inclusive environments which accommodate diverse needs and abilities. Be a change maker in your community if facilities aren't already available.

### 9 LEAD BY EXAMPLE

Parents and carers can be positive role models by prioritising their own exercise and involving children in their fitness routines. Gentle walks, bike rides or sports activities can be wonderful opportunities for bonding and staying active together.

### 10 ENCOURAGE PERSISTENCE

Help children develop resilience and perseverance by encouraging them to overcome challenges and setbacks in physical activity. Teach them the importance of perseverance and the value of effort in achieving their goals.

## Meet Our Expert

Adam Gillett is a learning and development specialist who, as well as working for Minds Ahead, is associate vice principal for personal development at a large secondary school in Bannley. He was asked to be part of an expert research group for the Department for Education, one of only three school leaders to be asked to do so.
