Challenge Level	Challenge	Let's get busy! Create, research or explore
	Write	Write a poem about the journey of a blood cell as it travels around the circulatory system.
	Design	Design packaging for a scented candle, taking inspiration from Claire Harrup's illustrations and designs. Come up with your own unique signature scent!
	Research	On a map of Norfolk, identify where all the current prisons are (linked to our crime and punishment unit). Can you also locate where prisons used to be throughout history from the Anglo-Saxons up to today?
	Write	Write a short biography about Giacomo Puccini. Who is he? Where was he born? What is he known for? What are his big achievements? Any other facts, too!
	Design	Create an information poster about how to tell the time in French!
	Explore	Find out what laws we have in the UK that appear to be completely ridiculous! E.g., you cannot walk cows down the street in daylight in England
	Create	Create a paper collage using different illustrations/prints/designs by Claire Harrup.
	Research	Research facts and information about the heart.
	Explore	Different celebrations/festivals that take place during November and December.

Create – design, make, write, draw

Research – find out, read, record, present, discuss, debate,

Explore – see, go, do, collect
